

a learning path for unique minds

Application Process

STEP 1: Schedule a Tour

Come visit AcadeMe! We'd love to show you our unique learning environment specially designed and equipped for awesomely unique students.

STEP 2: Complete & Submit Student Application

After your tour, you will be provided with a Student Application. We ask that your application be fully completed, providing us with important details needed for STEP 3. If you have questions, or would like assistance completing the application, please don't hesitate to contact the school office.

STEP 3: Schedule & Attend An Evaluation

This is an important step! It's time to meet your child and uncover all of his or her unique abilities. Our Team will evaluate your child's neurodiverse strengths and academic challenges across several domains. The evaluation is used to determine your child's level of needed support for tuition purposes and on-going therapies. Fully engaging in all recommended therapies are addressed in our AcadeMe! Therapy Policy and allows your child's team to maximize his or her learning potential.

STEP 4: Submit Supporting Documentation

The following is a list of required documentation to begin the admissions process for your child:

- o Birth certificate
- o Immunization record or waiver (Form DH 680)
- o School physical (Form DH 3040 AND Pediatrician)
- o Prior psychological, medical and educational evaluations
- o Copy of most recent Individualized Education Program (IEP) or 504 Plan
- o Copy of prior report cards

STEP 5: Applicant Families Notified of Admission Decision

The Admissions Committee cannot consider incomplete applications. All applications must be completed prior to being forwarded to the Admissions Committee for review.
